AFL

The 2023 ACC Boys AFL team played against the SSWA team on Friday 13 October at Fremantle Oval. The tournament was preceded by a formal jumper presentation at the South Fremantle Football Club.

The event was endorsed by the WAFC who provided the umpires, awards and venue arrangements. This year, we were fortunate to have Elijah Hewett from the West Coast Eagles attend as the guest presenter of awards. The game was a very high standard and all ACC players were able to showcase their wonderful talent. The team had a great start, leading by 6 goals at half time. The SSWA team worked hard to make a come back, reducing the margin to 19 points in the final term. However, the ACC managed to hold their lead, winning 8162.

Final Score ACC 81 def SSWA 62
MVP: Zane Triscari (Emmanuel Catholic College)
Coach's Award: Declan Pauline (All Saints' College)

Special thanks to coach Ryan Henley (Emmanuel Catholic College), assistant coach Ben Sokol (Emmanuel Catholic College) and manager Michael Tassone (Ursula Frayne Catholic College) for volunteering their time to select and manage the team.

The ACC would also like to acknowledge the trainers and helpers who assisted the coaching team. Thanks to Jarrod Parry (CBC Fremantle) and Luca Gangemi (Emmanuel Catholic College) for assisting from trials to the game. Luca was the captain of last year's ACC team so it was nice to see him back supporting the coaching staff and players.

AFLW

The ACC Girls All Stars AFL team played against the SSWA and IGSSA teams in a tri-series on Friday 25 August at Claremont Oval. The girls were victorious this year, winning both rounds to take the cup for 2023. The tournament was preceded by a formal jumper presentation for the players. Special guest AFLW Freo Docker's player Phillipa Seth attended the ceremony, inspired us with her story, and assisted with the presentations.

Freo Docker's head coach Lisa Webb spoke to all teams at the end of the tournament. Lisa presented the MVP award to Zipporah Fish (ACC - All Saints' College), the cup to the winning team, and the coach awards to each team's nominated player. Congratulations to Chelsea Hutchinson (Bunbury Catholic College) for winning the team coach's award for the ACC.

Round 1: ACC 14 def IGSSA 12

Basketball

The boys and girls ACC All Stars Basketball teams played against the Independent Girls School Sport Association/School Sport WA (Girls) and School Sport WA (Boys) on Sunday 22 October 2023 at Bendat Stadium.

All games were an exceptionally high standard with each participating team displaying incredible talent and ability. The ACC was pleased to see the fantastic sportsmanship and honour in our selected players this year. The ACC schools they represented should be proud.

The ACC Girls Team played with focus and determination in a closely fought contest in both games against SSWA and IGSSA. The Girls were victorious in both of their games and were able to take home the All Stars trophy. Congratulations to all the girls and coaching staff on their success.

The All Stars boys game was so close it came down to the final minutes, where SSWA pulled ahead and ended in winning the match. The boys' effort and perseverance throughout the game should be commended.

Thank you to the coaches and managers for the selection, coaching and management of the ACC teams. The level of commitment and organisation was outstanding and made for a highly successful All Stars competition. Thank you also to Mater Dei College and John Septimus Roe for hosting the trials and jumper presentation. Thank you also to Basketball WA, SSWA and IGSSA for their contribution, professionalism and support in organising what was yet again a very enjoyable event.

RESULT: ACC: 6/205 (47 overs) def State Schools - 9/204 (50 overs)
PLAYER OF THE MATCH: Nico Le Roux - Bunbury Catholic College

A fantastic game of cricket was played between the ACC v State Schools on Friday 17 March at Murdoch University. The game has a proud history in the WA cricket community and both teams were stacked with some of the best underage cricketing talent in WA.

The State Schools captain won the coin toss and elected to bat under cloudy and damp morning conditions. The ACC started positively early with a lively spell of fast bowling from Jake Pattison (Mandurah CC) capturing two early wickets in his first spell and bowling a consistent line. Pattison was well supported by David Gardner (John XXIII) as both opening bowlers kept the top order of the State Schools in check. A couple of stop start partnerships from the State Schools threatened to build the score, however James Hart (Newman) and Jean Whitmore (Kingsway) bowled tremendous spells taking regular wickets through the middle overs to really give the ACC a powerful position at the midway point of the State Schools innings at 6/64. The ACC were looking to keep the State Schools to a score well under 200, however a strong counter punch from the lower order and tail ensured the State Schools had a very positive end to the innings with one young batter from the State Schools scored 78 runs in quick time that had the ACC fielders suddenly on the boundary in the outfield. The State Schools eventually closing their innings at a very respectable 9 for 204.

The ACC needed some strong partnerships to chase down 200. Opener Jonah Lincoln (Bunbury Grammar) was resolute scoring 28 and was well supported early by a rapid fire 22 from captain Corey Wasley (Tranby) who threatened to take the game away from the State Schools. The game was evenly balanced at 3 for 70 when the match turning partnership formed between Nico Le Roux (Bunbury CC) and James Hart (Newman). Both playing some tremendous strokes all around the wicket with the runs coming at a good rate and the ACC building toward the total. Le Roux was eventually dismissed for 53 off 56 balls, that really helped turn the tide of the game at its most pivotal point. Hart also batted superbly throughout ending 62 not out and carrying the team over the line in the run chase with some handy lower order hitting in the final overs from Louis Clayton (Newman) and Brandon O'Rourke (Bunbury CC). The ACC eventually chasing the total down 6/205 with 3 overs to spare.

Congratulations to Nico Le Roux (Bunbury CC) awarded Player of the Match for the ACC by the WACA umpires.

Special thanks to the amazing ACC Coaching staff team of 2023.

Netball

Inter Association Netball Tri-tournament

Congratulations to our ACC Team for their excellent performance in the All Stars Netball Inter-Association TriTournament held on Saturday 21 October at the Gold Netball Centre. This year again showcased a very high standard of netball; it was an absolute pleasure to watch the talent, competition and sportsmanship on court.

The girls played against the All Star teams from School Sport WA and the Independent Girls' Schools Sport Association. It was the final round match between the ACC and SSWA that was the decider this year. SSWA were leading by 3 goals at half-time. The ACC team remained focussed and composed; they fought hard to even up the score late in the third quarter and were 1 goal up at 3-quarter time. There was no looking back in the final quarter as the girls built on their lead to win the match by 8 goals, and win the competition for the second year in a row.

Congratulations to Ebony Stewart who was awarded the tournament MVP and to Grace Millichamp who received the Coach's Award.

We are grateful for the time, organisation, expertise and efforts of this year's coaching and management team.

Coach: Donna Daniel (Living Waters Lutheran College)

Assistant Coach: Camille Wilson (Kolbe Catholic College)

Team Manager: Georgia Meyers (John Septimus Roe Anglican Community School)

Additionally, the professional input from our team of selectors was greatly appreciated and ensured that the team selection trials were efficiently run. They were Karis Hughes (Corpus Christi College), Sara Becker (Corpus Christi College) and Rachel Glance (Mandurah Catholic College).

Acknowledgements and thanks are also extended to Netball WA, for endorsing and facilitating this annual event. Their support is invaluable to us.

ACC Championship

The ACC Championship is an all association elimination tournament culminating in the crowning of the ACC Champion School in each sport. The ACC Championship was introduced in 2019.

The ACC Championship offered the following competitions in 2023:

- Basketball - Senior Boys and Girls Y10-12 teams
- Basketball - Junior Boys and Girls Y7-9 teams
- Soccer - Senior Boys and Girls Y10-12 teams
- Netball - Senior Girls Y10-12 teams

Junior Basketball

The **ACC Championship Junior Basketball** held preliminary pools during Term 1 2023 with a wide range of sub association groups, wildcard groups and one day carnivals conducted. The ACC Championship Elimination tournament then took place during Term 2 in both the senior (Yr10-12) and junior (Y7-9) categories. Over 70 ACC member schools were involved in 2023 from the metropolitan and country areas of WA.

The Grand Finals in the Juniors were played on the 30 May at Warwick Stadium and were fantastic games to finish off the Junior Basketball Championship.

The Junior Girls Grand Final between St Norbert and Kennedy was a tight game throughout with St Norbert holding a slender 10-point lead for most of Q1-Q3. Eventually late in Q3 and early in Q4 the St Norbert girls went on a scoring blitz of 3-point shooting and driving the key that broke the game open, taking the Championship over a determined Kennedy girls' team who never gave up throughout.

The Junior Boys Grand Final had two very evenly matched teams with John Septimus Roe and Emmanuel CC. Both teams looked very strong the week prior during the semi final phase, setting up an excellent final. The game was evenly balanced throughout the first half with both teams scoring in a very high scoring and free flowing game. The second half became more of an arm wrestle defensively with John Septimus Roe making some key defensive adjustments and stops that opened the match winning lead that Emmanuel CC could not bridge. The game was a wonderful battle between two high quality squads stacked with elite young talent.

Congratulations to MVP players Reece Anticevic (St Norbert) and Mason Clark (John Septimus Roe) for being influential players with very strong grand final performances.

Senior Basketball

The **ACC Championship Senior Basketball** held preliminary pools during Term 1 2023 with a wide range of sub association groups, wildcard groups and one day carnivals conducted. The ACC Championship Elimination tournament then took place during Term 2 in both the senior (Yr10-12) and junior (Y7-9) categories. Over 70 ACC member schools were involved in 2023 from the metropolitan and country areas of WA.

Congratulations to all teams that progressed through to the elimination knockout phase where many thrilling games were played at the Round of 16, Quarter Final or Semi Final phase. It was again fantastic to see many member schools host elimination games within school gymnasiums and having different regional or metro schools visit the school that they may not be used to playing for these high-quality games. Thankyou to all competing schools for remaining committed and flexible during the early elimination phase in Term 2 and the spirit and generosity within the schools in the competition remains excellent.

The ACC would like to give special thankyou to Basketball WA for the ongoing support of one of WA's strongest secondary school basketball competitions and to Refging Hoops WA that provide a huge amount of highly talented and qualified referees and scoreboard officials across the tournament making it the most professional and enjoyable experience for all competitors.

The Grand Finals were played on 23 May, at Warwick Stadium. The atmosphere was electric with many spectators adding to the grand final festival!

The Senior Girls Grand Final was played between La Salle and Kennedy. Kennedy came out strong in the first quarter shooting well and opening up a 26-12 early lead at Q1. The game tightened in Q2 and was an even battle as La Salle slowly started to halt the Kennedy offense and make some key points in transition. Kennedy eventually flicked the defensive switch applying some full court press during Q3 to open the match winning lead. Kennedy controlled the game from this point forward and are to be congratulated on taking the Senior

Girls Championship which is now the 3rd year in a row – 2021, 2022, and 2023! Special mention to grand final MVP performance from captain Latysha Derecourt (Kennedy) who was everywhere in all the key moments defending brilliantly and scoring when the team needed key points.

The Senior Boys Grand Final was a sensational game of skill and rapid ball movement between John Septimus Roe and Chisholm. The game was a highlight reel early in Q1 with some amazing plays and offensive shooting from both teams. Both teams would go on mini offensive runs of 6-8 points as the game consistently swung back and forth during Q1 & Q2. John Septimus Roe opened what would turn out to be the match winning lead in Q3 with some great team passing and rebound 2nd chance opportunities that consistently put the Chisholm defense under pressure. Holding a 77-52 lead at 3 quarter time, John Septimus Roe continued to press in the final quarter to seal a memorable Senior Boys Championship. Edward Lual (John Septimus Roe) was causing all types of havoc for the Chisholm defenders with his mixture of outside 3point shooting and his driving to the rim (dunking!) in claiming the Grand Final MVP.

The elimination bracket, Round of 16 matches took place between the qualifying teams during Term 3, Weeks 1-5. The Grand Final took place between Chisholm Catholic College and Aranmore Catholic College on Tuesday 15 August on Court 1 at Gold Netball Centre. Both teams having exceptional form to make the Grand Final and it was the first time either school had appeared in the grand final game.

A great crowd was in attendance this year and the game was streamed live through Streamer and 7West Media which was well received by the two grand finalist schools and the wider community that tuned in to watch the game.

Both teams had many talented players; more than a few who took the court are currently in WANL and/or state development squads, and spectators were treated to a high standard of netball.

Chisholm got off to a rapid start with excellent ball movement opening a quick early lead before the game started to tighten up prior to quarter time with Chisholm holding an 8-goal advantage.

The Chisholm mid court led by captain Stephanie Towie and the attacking pair of Jessica Ferraloro and Sophia Giacci were causing headaches for the Aranmore defense and combining superbly to help direct and control the front half game.

Aranmore came out early in the 3rd quarter with some slightly revamped positional changes and started to claw back into the contest. Rachel Cant and Lylah Weymouth became influential early in the 3rd quarter. Aranmore managed to get the deficit into single digits however this was as close as they would get. The Chisholm attacking shooters catching fire and working very well in tandem throughout the front court to maintain ascendancy, holding the lead through the final quarter, for a deserving victory.

Centre Stephanie Towie (Chisholm Captain) was everywhere from defense to attack and played a very strong four quarter game where she was the pivotal player in almost every attacking chain. A commanding performance rewarded with the MVP of the grand final.

Congratulations to both teams on the fantastic game and the spirit in which the final was played was also exceptional. A final thankyou to the umpires across the elimination finals and to Netball WA for the ongoing support of the ACC Championship at Gold Netball Centre.

Final: Chisholm defeated Aranmore 49-29

Senior Soccer

The ACC Championship is the pinnacle of Senior Girls & Boys Soccer within the association. 46 schools participated in the 2023 ACC Soccer Championship.

The ACC Championship Soccer was held throughout Term 2 with a range of sub association groups and one day carnival pools. The One Day Carnival pools took place at Lark Hill, Curtin University, Mercy College, UWA Sports Park and Britannia Reserve on the 18 May. The elimination bracket took place during weeks 1-6 of Term 3.

ACC Championship Girls Grand Final Result: South Coast 2 def Mercy 0

The 2023 ACC girls Soccer Championship grand final was held Wednesday 23 August at Litis Stadium (Floreath Athena).

Mercy and South Coast were both very strong teams through the initial pool stage and had commanding performances in the elimination quarter finals and semi-finals to make it into the grand final.

The scene was set for a great rematch of the 2021 and 2022 grand finals. The first half of the match was an even contest with both teams having opportunities in the scoring box. South Coast were controlling the possession; however, Mercy was looking dangerous on the counterattack into space.

An even start was broken shortly before half time with a converted penalty for South Coast after some great attacking build up. South Coast was quick to double the lead after half time and increase the advantage on the scoreboard that Mercy was unable to make up. Mercy continued to attack in the final 20 minutes looking to find the net, however, South Coast was resolute and earned an impressive 2-0 victory (for a 3 peat of ACC Championships – Senior Girls Soccer). A top game was played by South Coast captain Brooke Burdette who was rewarded with the Grand Final MVP Award.

ACC Championship Boys Grand Final Result: Servite 1 (4) def South Coast 1 (3)

The boy's final between Servite and South Coast was set to be a thrilling game with both teams fielding highly talented line ups. The anticipation was high with a large crowd in attendance.

The game was competitive and hard fought with both teams having opportunities to score at regular intervals. The momentum of the game changed on numerous occasions as each team would control field position and force the opposition to defend for periods of time. Servite scored a great goal late in the first half and then South Coast answered this goal almost immediately keeping things even at 1-1.

As the clock kept ticking and the game came down to the final minutes, every player lifted their intensity. Both teams had opportunities in the remaining minutes to score and seal the victory. Ultimately, full time sounded and both teams were heading to penalties. In a thrilling penalty shootout where all players are to be commended, it took until the fifth round before the game was decided. Servite goalkeeper James Komadina came up with a huge save, earning Servite the 4-3 victory. James Komadina was awarded the MVP award with numerous goal saving efforts throughout the match.

Both Grand Finals were played in tremendous spirit and all players should be very proud of the way they presented and played the game; competitively but respectfully at all times.

AFL Carnivals

Year 7 Carnivals

The year 7 AFL carnivals are growing each year, with first year secondary students from both genders playing a culturally popular sport within large playing squads. It is a great early ACC experience for many students and the carnivals are well supported by the local clubs affiliated with the venues we use.

This year in June there were 11 regional carnival pools, from which the winners of each played in the 2 grand final carnivals, one for boys and one for girls.

Results

The teams that won their regional carnival pool to qualify and play in the grand final carnivals were:

Boys Grand Final Carnival

- Bunbury Catholic College
- CBC Fremantle
- Court Grammar School
- Emmanuel Catholic College
- Sacred Heart College

Girls Grand Final Carnival

- Court Grammar School
- Emmanuel Catholic College
- Mandurah Catholic College
- Mater Dei College

In the Girls Grand Final carnival Mater Dei College seemed to get stronger as the day progressed and were undefeated on their way to the win.

Court Grammar School won the Boys Grand Final carnival with quick and skilful play and were also undefeated throughout the competition.

Well done to all teams and thank you to the associated football clubs who supported the carnivals. We are also grateful to the WAFC for providing the trophies, medallions and umpires for the grand final carnivals, and to the SEDA class groups who assisted with umpiring at the regional carnivals.

Year 10 Carnivals

The year 10 AFL carnivals cater for a cohort that can sometimes miss out on opportunities to play sport. The amount of involvement from ACC schools is more than a third of the membership. It is a successful ACC calendar event that continues to grow each year.

13 carnivals took place over four weeks involving 62 teams. The divisional model is a huge success, catering for all levels of competition and allowing students from smaller schools to participate in a less competitive, fun and physically active environment.

Schools are allowed to nominate a second team should places become available. CBC Fremantle entered a second "exhibition" team for the Division 6 boys carnival.

Hockey Challenge

The ACC Hockey Challenge is an “open age” hockey competition for secondary boys and girls teams. The ACC coordinates one day carnivals for boys & girls during winter.

The ACC Hockey Challenge was a huge success with 12 boys teams and 12 girls teams participating across two divisional 1 & 2 carnivals.

The ACC Hockey Challenge was proudly supported by Hockey WA and continues to be held in high regard within the WA hockey community. All hockey games during 2023 were played at the home of hockey - Perth Hockey Stadium at Curtin University (Home of the Australian Hockeyroos and Kookaburras (National Teams).

A big congratulations to all teams that participated. All players should be very proud of the competitive spirit and high level of hockey skills that were demonstrated. The competition was closely fought with some thrilling hockey games being played.

Boys

The 2023 ACC Boys Hockey Challenge produced some excellent hockey. All games were played in a wonderful competitive spirit with some outstanding, high quality performances and top goals scored.

Division 2 Boys

Participating schools in the Div 2 boys competition were Newman, St Stephen's Duncraig, Ursula Frayne, Guildford, Ellenbrook and Mandurah CC.

Grand Final

The grand final was a tightly contested game between Newman and Guildford with both teams very evenly matched across the turf. The game was always going to come down to which team could take the half opportunities that presented. Both teams played a great defensive brand and were strong behind the ball. Eventually Newman scored a great team goal and this then sent the game into overdrive with Guildford pushing hard for the equaliser in the final 10 minutes. The Newman defense held resolute and was able to clinch a thrilling Div 2 Final result 1-0.

Division 1 Boys

Participating Schools in the Div 1 boys competition were Bunbury Grammar, Mazenod, John XXIII, St Mark's, CBC Fremantle and MacKillop.

Grand Final

The grand final was a rematch of the thrilling Div 1 2022 grand final with both John XXIII and Bunbury Grammar again putting on a spectacular show. Both teams had some highly talented and skillful players that could turn the match within a second. An even start to the match occurred before John XXIII found a moment of brilliance with an end to end goal followed by a second strike. Bunbury Grammar never gave in and pushed right to the very end with plenty of opportunities in the attacking D in the final half. John XXIII flipping the script from 2022 to take a memorable 2-1, Division 1 victory.

Finals Results

Div 2: Newman def Guildford 1-0

Div 1: John XXIII def Bunbury Grammar 2-1

Girls

There was a great atmosphere at the 2023 ACC Girls Hockey Challenge with all girls' teams playing some spirited and skilful hockey. Plenty of fantastic goals were scored and teams should be commended for the sportsmanship displayed between players.

Division 2 Girls

Participating schools in the Div 2 girls competition were Sacred Heart, Ellenbrook, MacKillop, John XXIII, Mandurah CC & St George's.

Grand Final

An amazing high scoring and nailbiting grand final was decided in the final 30 seconds of regulation time. Both teams Sacred Heart and John XXIII played attacking hockey and had players that could break through the defensive lines. In the end, with the game deadlocked at 2-2, a final flurry of attack in the D from Sacred Heart had them score the winning goal in the final plays of the game. A great sporting spectacle and both teams should be very proud of the way they represented the schools.

Division 1 Girls

Participating Schools in the Div 1 girls competition were St Mark's, Mercedes, Bunbury Grammar, Ursula Frayne, Guildford & Newman.

Grand Final

The grand final was a hotly contested game early with both teams pushing to gain possession and stretch the opposition defense. Although Newman had some opportunities on the counter attack, Ursula Frayne started to gain control with front half pressure and scored a great team lifting goal that proved the ultimate decider in a very even contest. Ursula Frayne were runner up in 2022 and this year they went the extra step with a sensational day enjoyed by all players.

Finals Results

Div 2: Sacred Heart def John XXIII 3-2

Div 1: Ursula Frayne def Newman 1-0

This year the event was in its 7th year of competition with 27 participating schools. The carnivals were held in early Term 4 on Tuesday 24 October.

The association is assisted by the state sporting bodies and our appreciation and thanks goes to Football West, Netball WA, and Basketball WA for a very successful event in 2023 held across a range of different venues.

A special thanks to SEDA staff and students for their support in umpiring and scoring at the various venues.

Basketball

Congratulations to all teams that were involved in the 2023 Year 7 Super Series - BWA Challenge. The Basketball WA Challenge was played across two venues - Warwick Stadium (boys), and Bendat Stadium (girls).

The standard of basketball from the Year 7 students was exceptional and all teams are to be highly commended on the team spirit and effort throughout the carnival day.

BWA Challenge Girls

Bendat Stadium had some excellent girls' games with Kennedy Baptist undefeated in Pool A. There were strong team performances from Mundaring Christian, finishing second with a very close percentage and a head to head loss to Kennedy by only 6 points.

Pool B results were very close between Mercedes and JSR. Mercedes won the head to head by only 1 point to gain the top placing. Mercedes went on to win the grand final game against Kennedy by only four points **21 - 17**.

BWA Challenge Boys

There were four pools in the boys BWA Challenge held at Warwick Stadium with some very close games to finalise the top placings. The winners of each pool were:

Pool A – Mater Dei College

Pool B - Sacred Heart College

Pool C – Kingsway Christian College

Pool D – All Saints' College

Mater Dei College was the overall winner on the day with an outstanding game against Kingsway Christian College. Mater Dei defeated Kingsway **26 - 18**.

Netball

Congratulations to all players and coaches that were involved in the 2023 ACC Year 7 West Coast Fever Shield.

The West Coast Fever Shield is proudly partnered by Netball WA and it was a fantastic day of fun filled netball games at the Gold Netball Centre.

20 participating ACC schools were drawn into four pools of competition followed by crossover games to determine the overall winner.

There were some great contests throughout the day especially the clash between St Stephen's and Aranmore. The winner would top Pool A and qualify for the semi finals. The pendulum swung throughout the game with St Stephen's winning narrowly by 2 goals. Emmanuel CC was clinical all day and topped Pool B with a large percentage. Similarly Living Waters in Pool C were consistent with only St John Bosco getting within 5 goals. Mercedes started the competition in Pool D with a close 1 goal victory over Mundaring and then grew in strength throughout the day.

Both Emmanuel CC and Living Waters showed incredible depth in their respective semi finals and came out strong winners with the Grand Final promising to be a tough match up.

The pool winners were:

Pool A – St Stephen's School, Duncraig

Pool B – Emmanuel Catholic College

Pool C – Living Waters Lutheran College

Pool D – Mercedes College

Living Waters got the jump on Emmanuel CC and went out to a lead and kept on increasing as the match progressed and took out the shining new West Coast Fever Shield winning **18 – 9**.

Soccer

Congratulations to all the ACC teams participating in the 2023 ACC Year 7 Super Series - Sam Kerr and Stan Lazaridis Football Shields.

The Year 7 Super Series held soccer carnivals across multiple metro venues. The girls' competition involved two pools held at Kingsway Regional Sporting Complex. There were four boys' pools held across four venues: Irene McCormack CC, Mercy College, Curtin University and Murdoch University.

Sam Kerr Shield (Girls)

10 schools competed for the Sam Kerr Shield in 2023.

The carnival had some outstanding goals scored with some games requiring post-game penalties to determine the winner.

Both South Coast Baptist College and Seton Catholic College were undefeated in their pools. Seton took the Shield, defeating South Coast **4 – 1**.

All girls' teams played the carnival in the right spirit and enjoyed a great experience making new friends and memories with their Year 7 peers.

Stan Lazaridis Shield (Boys)

There were some thrilling games played in the preliminary rounds involving 19 schools across the four venues. The top placing schools went on to play in a grand final tournament held at UWA Sport Park on Friday 27 October. The four winning teams were:

Pool A – Swan Valley ACS

Pool B – St Andrew's Grammar

Pool C – South Coast Baptist College

Pool D – Corpus Christi College

The grand final tournament showcased some very close games; however, St Andrew's and South Coast were the dominant schools on the day. St Andrew's took the early lead in their clash with South Coast and held on to deep into the second half when South Coast scored the equaliser. Match went into penalties and on the sixth penalty South Coast claimed the victory. The final ladder placings had both schools at the top on equal points with their head-to-head game a draw. The winner was then determined by percentage which favoured South Coast Baptist and they were awarded the Shield for 2023.

Lightning Carnivals

The 2023 Lightning Carnivals for Year 7, Year 8 & Year 9 were held on the 8th and 9th May, offering seven sports across seven venues across these dates.

The Year 7 Lightning Carnivals recorded an increase from the 2022 event, with twenty four schools participating in seven sports including AFL, soccer, rugby, ultimate frisbee, basketball, netball and AFLX. There was a total of 220 teams across the six venues.

Twenty schools with 178 teams participated in the Year 8 and Year 9 Lightning Carnivals in six sports, with all but rugby being played across the five venues. It was also wonderful to have four inclusive netball teams participate, and we look forward to welcoming more teams across the board in 2024.

Inclusive Sport Program

The aim of the Associated and Catholic Colleges of WA (ACC) is to provide quality sport and recreation activities that cater to all levels of student ability. The Inclusive Sports Program (ISP) is integral to the ACC mission and provides students with a disability equitable access to sporting and recreational opportunities. The program is specifically targeted at students whose disabilities may hinder their inclusion in school based or inter-school sporting events.

The **Inclusive Sports Program** is open to any ACC student with a disability, and in 2023 saw the following schools involved in the program:

- Christ Church Grammar School (*invited school*)
- Corpus Christi College
- Emmanuel Catholic College
- Guildford Grammar School
- Holy Cross College
- Irene McCormack Catholic College
- John XXIII College
- John Septimus Roe ACS
- John Wollaston ACS
- Kingsway Christian College

- Mother Teresa Catholic College
- Newman College
- Prendiville Catholic College
- Sacred Heart College
- Servite College
- Seton Catholic College
- St Norbert College
- Trinity College (*invited school*)
- Ursula

The number of schools who engage with the program along with the participation numbers continues to increase, and we look forward to welcoming many more students and schools to our events in years to come.

Thankyou to each of the Principals who presented at a number of our events across the year, along with those who took time out of their day to attend. All witnessed first hand that sport is for all, through the endless smiles, laughter, teamwork and sportsmanship.

We are also grateful and fortunate to have the support of multiple State Sporting Associations across our calendar year. Without their support, events would not operate or be as successful as they are. A special mention and thankyou to our following 2023 partners, along with Crystal Printing, who have provided all event participation certificates this year.

Beach carnival

What an incredible way to kick off the 2023 Inclusive Sports Program, with our Beach Carnival at Sorrento Beach on the 17th February 2023. Unfortunately the event was cancelled in 2022 due to COVID, so it was sensational to welcome 189 participants from 9 schools onto the beach, which was a 17% increase from 2021. Athletes competed in Enticer or Endurance Iron Man events, which were then followed by social group rotations through a variety of beach and water activities.

Thankyou to the Notre Dame and Sacred Heart College students who supported the coordination of the events, along with the amazing support of Sacred Heart parents, who provided a BBQ for all those in attendance.

Cricket carnival

As this event was cancelled last year due to COVID, it was good to welcome over 90 students from 6 schools back to Alderbury Reserve for our cricket carnival.

SEDA College WA students commenced the day by delivering social group activity sessions before we commenced the round robin fixtures.

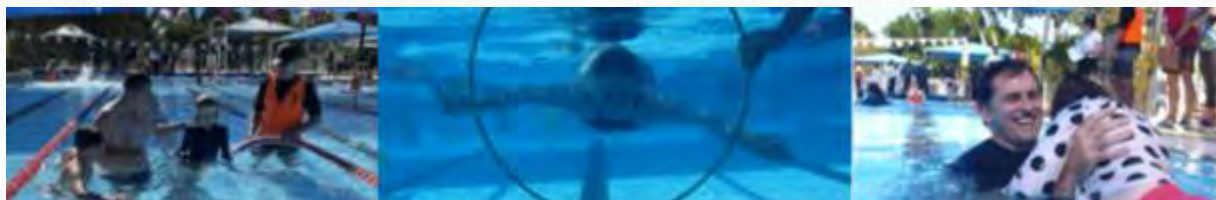

The Grand Final was a derby between the two Lumen Christi teams, and ended in an unwritable scenario of a draw, the winner determined by a *Super Over!*

Thankyou also to WA Cricket for their continued support of this event, and for sponsoring the perpetual shield and the annual winner's trophy.

Swimming carnival

The swimming carnival was held at the Claremont Aquatic Centre on Friday 28th April, and while we were concerned about holding the event in Term 2, the weather was absolutely perfect.

The event provided the opportunity for 194 students from 10 schools to either compete or participate in team or individual events, in both the 25m and 50m pools. The facilities provided a number of areas for both staff and students to utilise including grassed areas, the dive pool and the sensory water playground.

The event was hosted by Mercedes College & St Mark's Anglican Community School, providing both staff and senior students to fulfill the numerous official roles. These included chief starter, chief marshall, announcer, novelty assistants and water safety swimmers.

Fun Run & Activity Day

The Fun Run and Activity Day is a very popular event on the ACC calendar, held this year on the 19th May at Jackadder Lake, Woodlands.

Members of the local community were in awe as 247 students from 13 schools, along with their support teachers, took to completing 2 laps of the 2 km lake. Although, some students (and their teachers) found a shorter and therefore quicker route.

The first three male and female athletes were awarded medals for their efforts, with all other participants welcomed by a guard of honour and continuous applause as they crossed the finish line. Schools then facilitated various activities for the remainder of the day before a BBQ lunch cooked by the Sacred Heart College volunteers.

Congratulations to Sacred Heart College for being awarded the Sue Bigelow Shield, in displaying outstanding sportsmanship and encouragement throughout the day, highlighted by initiating and leading the guard of honour.
