"SOUTHERN ASSOCIATED SCHOOLS JUNIOR"**

1. AIM

It is the aim of the SOUTHERN ASSOCIATED SCHOOLS JUNIOR, as a Sub-Association of the Associated & Catholic Colleges, to provide an interschool sporting competition, promoting participation, sportsmanship, leadership and socialization amongst students.

2. INVOLVEMENT/FIXTURES

- SASJ is divided into SASJ East and SASJ West geographical alignment. Both groups play the same sports/grades and play crossover finals as applicable in summer and winter.
- Separate boys and girls, teams in year groups, which often includes Years 8/9 combined (summer & winter - Terms 1 & 2) and Years 7 combined (summer & winter - Terms 1 & 2).
- Year 10 Boys Basketball and Girls Netball (Term 1) & Year 10 Girls and Boys Beach Volleyball (Term 2).

It is the policy of the ACC that students competing in ACC sport must be under 19 years of age as of 31st December. Students who have turned 19 years of age are not permitted to participate in ACC sport. It is also ACC policy that student participation is limited to "secondary school students" and that the minimum level for participation is enrolment in Year 7.

7 DAYS OF PLAY

Year 7, 8/9 & 10 – Wednesday - (summer and winter)

8 HOURS OF PLAY: normal time 4.00pm – 5.00pm

- 8.1 All games MUST have a minimum of at least 40 minutes playing time (up to 5.15pm) to constitute a match. Quarter and half time breaks are not to be counted within the playing time.
- 8.2 Specific playing times for individual sports are outlined within those charter rules.
- 8.3 Start/Finish Time:
 - 8.3.1 All games to commence promptly at 4.00pm and where possible conclude by 5.00pm. Each school needs to carefully assess their school finish time and travel arrangements. If it is anticipated that arriving for a 4.00pm start is problematic then Principals should consider options to accommodate an early finish for staff and students involved.
 - 8.3.2 The latest start time is 4.20pm.
- 8.4 Warm Up: Both teams must arrive at the venue at least 10 minutes prior to start time i.e. 3.50 pm to commence warm-up.
- 8.5 In the event of a late start to a fixture, due to unforeseen circumstances, the playing time for that fixture MUST be a minimum of 40 minutes (up to 5.15pm) to constitute a match.
- 8.6 If it is not possible to complete 40 minutes of playing time up to 5.15pm, due to a late start, then the offending team will forfeit the match.
- 8.7 In the case of a match forfeit due to a late start, a 'social' match will still be played but the playing time will be reduced by mutual agreement between coaches ensuring equal half playing periods and a 5.15pm finish. The result will be invalid.
- 8.8 Forfeits: In the event that a match is to be forfeited due to late arrival, then the forfeit must be 'declared' before the start of the match. The forfeit is to be declared in the first instance by the coach of the offending

Update 1 for 2024

team, if not then by the umpire/referee, if not then by the non-offending coach and failing this the home team Sports Coordinator. If the forfeit is not 'declared' before the match than the result will stand.

8.9 Schools MUST ensure that they educate staff, students & outside coaches of forfeit clause 8.8 above, to ensure that this rule is implemented in the right spirit.

8.10 Finish Time: all matches MUST finish no later than 5.15pm to ensure adequate time for the return journey to schools.

9. GENERAL CONDITIONS OF PARTICIPATION

9.1 Dress

For all sports, players dress standards must be consistent, and in line with the traditional expectations for that sport. Tracksuits are NOT acceptable items to be worn during games. In extreme adverse climatic conditions, the coaches can convene and if agreed, tracksuit tops may be worn, but NOT bottoms. In addition, only Goalkeepers in soccer may wear tracksuits or part thereof. Hats should be encouraged.

9.1.1 A bonus point system will operate where a team is awarded an additional point for all players correctly attired in the school sports uniform. The umpire in consultation with the coaches of each team shall confirm the bonus points immediately **before** the fixture has started. Coaches must write the bonus point on the scorecard and then umpires sign. Teams who forfeit matches cannot claim a bonus uniform point but the team, which wins on a forfeit, can claim the bonus point.

9.2 Staffing

9.2.1 Suitable teaching staff are to be assigned a coaching or managing task by the Principal in consultation with the Sports Coordinator. Each team is to be accompanied by a teacher as authorization by the Principal.

9.2.2 Where possible schools should always attempt to place individuals with knowledge of that specific sport as the coach or manager.

9.2.3 If necessary, qualified (in the estimate of the Principal and Sports Coordinator) non-staff adults (i.e. parents or past students) may be authorised by the Principal to coach teams (assuming the presence of a staff manager). Individual schools should be aware of their "Duty of Care", and ensure the presence of staff with each team.

9.2.4 Duties of scorer, timer, linesperson and boundary umpires are carried out by competent reserves or suitable persons nominated by the Coach/Manager.

9.2.5 Each school engages all necessary staff and meets its own cost in this regard.

9.2.6 Staff authority:

Staff from both schools engaged in a fixture, have the authority to address and or discipline students from the opposite school. Where possible, staff should consult with and seek permission from each other before disciplining students from an opposing school.

9.2.7 Staff from all teams are to submit **signed** scorecards (by both coaches) to the Sports Coordinator who is responsible for all results. The ACC office may request copies of results from teams to verify scores in the event of a dispute/query. The Sports Coordinators will keep all records for the duration of both the summer and winter seasons for the year.

9.2.8 Staff from both teams are to agree on forfeits and uniform points before the start of play. This information is to be clearly indicated on the scorecard.

9.3 HOST School

The Chairpersons for the combined Principals and Sports Coordinators, and the separate Sports Coordinators meetings are duly elected as follows:

2008	John Wollaston	2021	St Norbert
2009	Ursula Frayne	2022	John Wollaston
2010	Seton	2023	Ursula Frayne

2018	Emmanuel	2031	St Norbert
2019	Carey	2032	John Wollaston

9.4 Umpires/Referees

- 9.4.1 Where possible, the home team provides ALL referees/umpires for all home games (2 per sport, **soccer & touch** will be the one central referee. Both home and away teams are to supply a linesman for soccer and a scorer for basketball. **Ultimate Frisbee is self-umpired.**
- 9.4.2 Where possible schools should use accredited referees/umpires for all SASJ sport fixtures. Schools may use competent senior students to perform umpiring duties only at the discretion of the Sport Coordinator or as the secondary referee/umpire (as per below)
- 9.4.3 **SASJ Basketball: Two (2) accredited paid referees will be sourced by home school for all Year 7 & Year 8 and Year 9 (8/9) games. One (1) accredited paid referee will be sourced by home school for all Year 10 games.** Upper school senior students may be used as a secondary referee as determined by Sport Coordinator. Basketball Referees in particular to be sourced from accredited agencies such as Reffing Hoops, Sport Staff One, and Basketball WA.
SASJ Netball: Two (2) accredited paid umpires will be sourced by home school for all Year 7 & Year 8 and Year 9 (8/9) games. One (1) accredited paid umpire will be sourced by home school for all Year 10 games. Upper school senior students may be used as a secondary referee as determined by Sport Coordinator.
- 9.4.4 Indoor Beach Volleyball will be umpired by teacher/coach accompanying teams. Opposition coach will be the scorer and be used to assist the “central timing” of the 3 x 15-minute sets.
- 9.4.5 Individual schools should be aware of their “Duty of Care” when providing non-accredited officials.
- 9.4.6 Each school engages all necessary officials and meets its own cost in this regard.

9.5 Substitution:

In order to encourage maximum participation, there are no limits on the number of substitutions allowed during a game. However, all substitutions must be directed through the referee or umpire.

9.6 Send Off Rule

If a student is sent from the field of play in any SASJ sport, he/she is not permitted to return to the field of play for that game. However, that player may be replaced immediately by one of the reserve players. The umpire/referee should indicate the reason for the sendoff to the team coach and the player concerned when it is convenient. If the incident is of a serious nature (i.e. violence, vilification, unruly behaviour), a written report is to be made by the umpire and coach and copies sent to the Sports Coordinators of each school involved in the direct fixture. The Sports Coordinators should then take appropriate action. *REFER TO, APPENDIX 21 “INSTRUCTIONS TO UMPIRES/REFEREES.*

9.7 Points

WIN	-	4 Points		
LOSS	-	1 Point		
DRAW	-	2 Point		
FORFEIT	-	Winning Team	-	4 Points
	-	Losing Team	-	0 Points

Update 1 for 2024

Teams with equal points on weekly and final competition ladders, will be separated in the following manner on the ladder:

Basketball	-	Points for and against (point difference)
Touch	-	Tries for and against (try difference)
Soccer	-	Goals for and against (goal difference)
Netball	-	Goals for and against (goal difference)
Super 8's Cricket	-	Runs for and against (run difference)
Ultimate Frisbee	-	Points for and against (point difference)
Indoor Beach Volleyball	-	Sets for and against, then points for and against

If the above differential is equal, teams will then be decided upon the head to head result.

In the case of incomplete or extended Round Robin fixtures, a match ratio may be used to determine the final ladder and premiership teams.

9.8 Forfeits

Early communication is essential to alleviate problems arising from forthcoming forfeits. Full Forfeit (no game to be played) should ideally be communicated by 11.00 am on the day of the fixture to give opposition school as much notice as possible. However, coaches can forfeit prior to the match and still play a scratch match/friendly on game day. Coaches and Sport Coordinators must have this conversation prior to the game starting. The latest time for a full forfeit (no game) to be communicated is 11.00am on the day of the fixture. Coaches and Sport Coordinators must have this conversation prior to the game starting.

A team causing the forfeit will receive 0 points, whilst the opposition receives 4 points for that fixture.

To assist with the separation of teams with equal points on weekly and final competition ladders, the team winning a forfeit, will be awarded a predetermined score for that particular sport. The team losing will be awarded the reverse of the predetermined score (see table below).

When entering a forfeit into *Go Jaro* click underneath the relevant school name, tag the circle which reads 'Forfeit this game' then click submit. *Go Jaro* will then calculate points automatically.

Please see the predetermined scores for the summer and winter SASJ sports table below

Summer			
	For	Ag	
Basketball	20	0	
Touch	5	0	
Super 8's Cricket	80	0	
Ultimate Frisbee	8	0	

Winter			
	For	Ag	Games
Soccer	4	0	
Netball	15	0	
Basketball	20	0	
Beach Volleyball	3	0	75-0

9.9 Protective Equipment

It is essential that all protective equipment is worn at all times and that the equipment is maintained at optimal levels. Students are to be advised of the requirement to use appropriate protective equipment during all games. Shin pads are compulsory for soccer.

Update 1 for 2024

9.10 Reporting of Results

Results of all fixtures are reported using the GoJaro on-line results system through the ACC web site. The home team enters all results in GoJaro within 24 hours of the fixture. For SASJ the home team for result entry will be the home team in the fixtures. Once all results are entered the home scorer must go to the scoreboard and check that results are displaying correctly.

It is important that a copy of this page is printed for your records. In the event of a problem with scores, the ACC may ask for a copy of these results.

The away team needs to check all results within 48 hours from when the home team notifies that results have been entered. If there are any errors, the home team has one week to correct them. After one week, the fixture will be locked and only ACC administrators are able to make any required changes. The away team must check results within 72 hours otherwise results entered by the home team will stand. Failure of the home team to comply with this condition will invoke a penalty of 1 point for the "responsible" team involved for that fixture.

It is suggested that the GoJaro system be promoted to coaches, students and parents and that the ladders be used to motivate individuals, teams and coaches/managers throughout the season.

If for any unforeseen circumstance the results cannot be entered by the home team using GoJaro then the away team should enter the results. If GoJaro is down and results cannot be entered on-line then the results can be emailed to the ACC.

N.B. Results reported are considered final once confirmed on-line - both teams' coaches/managers and captains must settle scoring discrepancies before scorecards are signed.

Uniform Penalty Point: It is **not** possible for SASJ school scorers to assign the uniform penalty point when entering results in Go Jaro. Home team scorers are to send any uniform penalties to the ACC when they email the ACC to advise that scores have been entered in Go Jaro. The ACC office will then enter any uniform penalties.

Staff from all teams are to **submit signed scorecards** (by both coaches) to the Sports Coordinator who is responsible for all results. The ACC office may request copies of results from teams to verify scores in the event of a dispute/query. The Sports Coordinators will keep all records for the duration of both the summer and winter seasons for the year.

9.11 Fixtures

Scheduled on a home and away basis (whilst the boys play at home, the girls play at the opposing location and vice versa).

REFER: APPENDIX 6 AND 7 "SUMMER AND WINTER FIXTURES".

9.12 Venues

9.12.1 It is the responsibility of the school providing the venue to ensure that all grounds/courts are clearly/correctly marked. Grounds/courts should be adequately maintained so as to provide a safe playing area. This is the same with central venues in use.

9.12.2 It is the expected etiquette of the home school to have a staff member available to meet and greet the away on school upon their arrival at the venue. The home school staff should brief the away school as to the location of the drinking water, toilets/change rooms, emergency telephone and first aid facilities (if available).

9.13 Final Team Placings and Extra Time Requirements

Final team placings are determined by position on the East and West SASJ ladders at the end of the season followed by any SASJ Crossover Finals between East v West SASJ (sample below).

SASJ 1 East v 1 West (Overall Winner)

SASJ 2 East v 2 West (3rd place)

SASJ Tally of Placings will only be presentable in a separate East & West tallies.

Update 1 for 2024

Extra Time requirements may be needed to help determine finals and should follow the below table if scores are level at the completion of full time:

Sport	Extra Time Requirements
Basketball	Extra time 3 minutes – no timeouts or breaks. If scores are still level after 3 minutes – next point wins (including free throw)
Touch	Overtime to start straight away – First try scored wins (golden try). Each team must remove a player from the field every 1 minute so that playing numbers are reduced until a score occurs.
Cricket	Overall runs firstly and then overall wickets lost to be used secondly as the tiebreaker. If both runs and wickets lost are equal the game is deemed tied – joint winners.
Ultimate Frisbee	Overtime to start straight away – first team to score a point wins (golden point). Each team must remove a player from the field every 1 minute so that playing numbers are reduced until a score occurs.
Soccer	No Extra time. Straight into a 3 v 3 penalty shootout. If scores are still tied after the 3/3 penalty kicks the penalties, then continue to sudden death penalties 1 for 1 until deadlock broken.
Netball	Extra time 3 minutes – no breaks. If scores are still level after 3 minutes – next goal wins.
IBV	Not applicable – overall sets then overall points used to help decide final ladder.

9.14 Trophies

A single plaque will be awarded to each school acknowledging any premiership teams for that school in that year. Plaques will recognize both East and West winners. Individual sport team plaques will not be awarded.

9.15 Weather Policy

9.15.1 Hot Weather

- Home school contacts weather bureau by 11.30am. If the weather conditions are extreme (high temp & high humidity), the home school cancels and informs opposition school, host coordinator and the ACC by 12 noon. Use discretion, particularly if games can be played with modification of playing time etc. to achieve a result.
- Team coaches: Duty of care to students is of paramount importance and individual coaches/managers always have the power to cancel an individual match if they believe that student health and safety is at risk. Where possible they should consult with the home school sports coordinator.
- The provision of water is the responsibility of the individual players and the team manager, not the home school.
- In the event that a school is the home side, then it is their responsibility to provide adequate shade shelter for teams if no natural shade is present.
- Where possible the following guidelines should be followed when matches are played under hot/humid conditions:
 1. Use venues that are: indoors or shaded. Outside hard courts should not be used due to increased radiant heat.
 2. Normal sun protection measures (hats/sunscreen) should be strictly followed
 3. Reduce match length or period length
 4. Increase player rotation through the bench
 5. Provide frequent rest/drink breaks
 6. Ensure that rest breaks are in shaded areas.
 7. Ensure students drink water BEFORE/DURING/AFTER the match
 8. Use common sense in hot/humid conditions and remember that student welfare always comes first.

Update 1 for 2024

9.15.2 Winter (severe) Weather

At 11.30am, Sports Coordinators to consult and if the consensus is a disaster (lightning and hail) then games are cancelled. If doubtful, teams show up and a decision is made by the home SC. In the case of inclement (wet) weather, teams show up at the venue and a decision is made by the home SC on site as to whether games continue. Winter fixtures should only be cancelled if the weather is severe (lightning/hail/wind) and poses a risk to student well-being – rain itself is not severe and cause for cancellation. In extremely cold conditions, the coaches may convene and, if agreed, tracksuit tops may be worn, but not bottoms.

- Current weather forecasts can be obtained at:
<http://www.bom.gov.au/weather/wa/>

9.15.3 Cancelled Fixtures Due to Weather

It is in the spirit of the SASJ competition that schools canceling matches due to bad weather should not be penalized on the ladder. In situations where some games are cancelled at one venue and played at other venues the policy is:

- In fixtures where games are played at one venue and not at another in a like sport, ALL results, at all venues in that sport are null and void.
- When home teams cancel all games due to weather only those sports affected by weather should be abandoned and any indoor games should still go ahead as normal. Points for games played indoors in these cases will count as long as all fixtured games were played at all venues.
- If fixtures are cancelled all SASJ schools are to be notified so that only relevant scores are entered into GoJaro for that round. ACC is to be notified so cancelled fixtures can be displayed as cancelled in GoJaro.

9.16 Uneven Contests- Mercy Rule

The “Mercy Rule” should be considered more a philosophy than a rule. The aim of the recommendation is that if any game is competitively uneven, the coaches should modify or adapt the game to make it a positive playing experience. This change to the game should be instigated by the coaches and not the referees. Any changes to the match should be made in a subtle way so as not to embarrass or mock the losing school. Some suggestions for modifications include:

- winning team taking off better players and playing reserves
- reduce playing numbers for both teams if opposition is short
- winning team offering to have some players play for the opposition
- winning team changing team positions such as swapping attackers with defenders
- winning team to instruct players to pass the ball more often before taking a shot
- winning team reducing the defensive pressure on the opposition
- winning team offering to mix players between teams.

At the point when the maximum margin occurs (refer table below), coaches concur and modify the game. The result at that point will be recorded and points will be awarded to the winning school. Sports Coordinators should also change score cards post match if the coaches have not listed the maximum allowable score as the result. Scores greater than the maximum allowable score should not be entered into GoJaro.

This “mercy rule” scoring is to be implemented for the sports listed below.

MAXIMUM MARGIN TABLE – MATCHING MERCY RULE

<i>Sport</i>	<i>Maximum Margin</i>
Cricket	80 Runs
Touch Rugby	5 tries

Update 1 for 2024

Basketball	20 points
Ultimate Frisbee	8 points
Indoor Beach Volleyball	3 sets
Soccer	4 goals
Netball	15 goals

EXAMPLE: Once a soccer margin of 4 – 0 or 5 – 1 (margin reaches 4 goals) is reached, that score is recorded as the official result and the coaches are to then consult and adjust match conditions. Any changes to the score after this point are not recorded. The game continues but only in a “friendly” participation format.

Set 1: 15 minutes, Set 2: 15 minutes: Set 3: 15 minutes

RULES

The Game

Indoor Beach Volleyball (IBV) is a game played by two teams on a sand covered volleyball court surrounded by netting, where the ball is played rebound off the nets, with NO outs, therefore the ball is live at all times. The ball may be hit with any part of the body above the waist (no intentional head butting), but each side is limited to three consecutive hits, no player is allowed to make two consecutive contacts.

SCORING

Best of three sets (will be used for all SASJ matches): Sets are played to time (15 minutes). The team that is leading at the completion of the time period will be awarded that set. A team wins the match by winning two sets. If a team wins the first two sets, a third set must still be played as this final 3rd set may impact final team standings on the ladder. The full result must be entered when entering results i.e. 3-0 or 2-1.

Points & Service:

- If the serving team wins a rally, it scores a point and continues to serve.

TO WIN A SET: The team which is leading the points at the completion of time (15 minutes). No minimum lead of two points is required. In the case of a 18-18 tie, play is continued with a deciding point to determine who wins the set.

The sets completed at the call of time shall constitute the match. The final match result will be determined by each team's total sets won.

Both 'sets' and total number of points are entered into the results system e.g.

Set 1 won by School A 17 - 12

Set 2 won by School B 16 – 20

Set 3 won by School A 14 – 12

Go Jaro would then show:

<u>School A</u>		<u>School B</u>
2	set	1
47	points	44

Update 1 for 2024

Officials

The game is controlled by an umpire/teacher accompanying the team. The opposition coach will then assist by keeping score and keeps the time. In any sport, there are close calls where players will disagree, but the umpire's decision is always final. Any arguing with or abuse directed at an umpire can result in a point reduction, followed by a send off.

- The Server can serve a maximum of 5 serves and then be rotated.
- The ball can be served over arm or under arm.

- All players must serve. Players are to rotate clockwise on winning the serve.
- The ball must be set at least once on receiving the serve before returning the ball over the net.

Ball and Net Abuse

Any kicking of the ball may result in a deduction of two points at the umpire's discretion. Players abusing the nets may be sent off.

Side and Top Nets

All nets can be used in general play, except when serving the ball, or contact with the top net when it is returned over the centre net to the oppositions side of the Court, this is deemed a foul.

General Play

- Any contact with the centre net by a player whilst the ball is in play, will result in a foul.
- A block at the centre net is not included as part of the three hits.
- The blocking player is entitled to play at the ball again on the consecutive shot.

Update 1 for 2024

Appendix 7

TO "SOUTHERN ASSOCIATED JUNIOR SCHOOLS" SUMMER SPORT – ULTIMATE FRISBEE (MIXED)

SPECIFIC CONDITIONS OF PLAY AND RULES

TEAMS

Two teams of seven players (7) on field, plus up to 5 substitutes per team (squads up to 12 players)

Minimum number of players per team is five (5).

Players of either gender may be used to help supplement and fill teams within the spirit of the game/participation.

EQUIPMENT/DRESS

175g competition Ultimate Frisbee Flying Disc is recommended. Under strong wind and deteriorating weather conditions both coaches may communicate before the game starts and decide to implement an alternative object such as vortex (aero) that allows the enjoyment and participation of the game to increase under the poor weather conditions.

Players are to be dressed in school sports uniform.

START TIME

4.00 pm

DURATION OF PLAY

Games are to consist of two (2) x twenty (20) minute halves with a 5 minute break at half time. Games are to be played in full.

RULES

Ultimate is a fast, free flowing game that combines elements of netball, soccer, gridiron and touch footy. The basic idea of the game is very simple. The aim is for the team with the frisbee to pass it up the field without dropping it and catch it in an end zone, which scores a point. The other team tries to intercept the disc or knock it down. The sport is non-contact. The other important aspect of Ultimate is that there are **NO REFEREES**. The players are trusted to make all decisions by themselves.

Field: Ultimate is usually played on an approximately half-width football field, with two teams of seven players (plus substitutes) lining up against each other. Any size field can be used, however, depending on space available, and a good game can be had with as few as four players a side. Cones are generally used to mark the corners of the zones and the sidelines.

Quick Rules:

1. There is no running with the frisbee. The frisbee can only be moved up the field by passing it. When a player catches the disc they must establish a “pivot” foot before throwing, a little like basketball.
2. The person with the frisbee has 10 seconds to throw. A defensive team member marks them and counts out loud, “stalling...one...two...three...”

Update 1 for 2024

3. No physical contact is allowed between players. Contact results in a foul. In practice, small amounts of accidental contact are usually tolerated if contesting a catch.
4. A “turnover” occurs when the frisbee hits the ground, goes out of bounds, is dropped or intercepted. Unlike touch footy, if the frisbee is knocked down, the team that last **held** the frisbee loses it, regardless of who knocks it down. The defensive team takes possession of the disc at that point and becomes the offensive team.
5. **Unlimited substitutions** are allowed between points, although none during points.

Fouls: Players call their own fouls when rule violations or contact occurs - there are no referees. A player disagreeing with a foul call can usually “contest” (dispute) the call, in which case the play is redone and the disc returned to the thrower. Players endeavour to be fair in their calls, so calls are rarely contested.

“Spirit of the Game”: Unique to Ultimate, and central to individual and team conduct, is the underlying Spirit of the Game, which embodies the sportsmanship which has sadly been lost from other sports. Players undertake to be competitive but fair and truthful, physical but careful, intense but friendly and courteous.

SCORING

To start a point, the defending team “pulls” (throws) the disc from their end zone to the offensive team, who stand in the opposite end-zone. The object of the game is for a team to connect passes down the field until the disc is caught in their opponents’ end zone, scoring one point. Teams change ends at the end of each point. Time cap for game is 60 minutes (1 hour). Mercy rule is set to 10 – 0.

NB: Results reported are considered final - scoring discrepancies must be settled by both team's coaches/managers and captains before scorecards are signed.

A bonus point system will operate where a team is awarded an additional point for all players correctly attired in the school sports uniform. The umpire in consultation with the coaches of each team shall confirm the bonus points immediately **before** the fixture has started. Coaches must write the bonus point on the scorecard and then umpires sign. Teams who forfeit matches cannot claim a bonus uniform point but the team, which wins on a forfeit, can claim the bonus point.

Update 1 for 2024

Appendix 14

TO "Southern Associated Schools Junior"
CODES OF BEHAVIOUR

Associated and Catholic Colleges of Western Australia

The ACC strives to encourage and support all CAS schools in the running of their Sub Association competition, under the maxim 'Sport in the right Spirit'.

Sport can positively influence a young person's value of physical fitness and a sense of self-worth. This can take place through the opportunity to develop and build personal characteristics such as determination, self-discipline, obedience and team work.

Good sportsmanship is an integral part of all that is best in sport. It includes a generous spirit, true respect for others, graciousness, and an ability to resist the temptation of gaining an unfair advantage. Good sportsmanship is an honorable behavior and a valuable life skill both on and off the playing field.

Codes of Behaviour

The following guidelines have been developed to assist everyone involved in ACC sport to promote worthy competition and make it clear what is deemed acceptable behaviour.

All those involved in ACC fixtures such as players, coaches and spectators are required to adhere to these codes.

(ACC Codes of Behaviour have been adopted from the "Aussie Sport – Codes of Behaviour", produced by the Australian Sports Commission and The PSA Code of Behaviour for Sport from the Public Schools' Association of Western Australia)

Players Code of Behaviour

- Respect the rights, dignity and worth of all participants regardless of their gender, age, ability, cultural background or religion.
- Never argue with an official. If you disagree with a decision, speak with your coach and they will deem an appropriate time to communicate the concerns with the umpire.
- Control your temper. Verbal abuse of officials and sledging other players, deliberately distracting or provoking an opponent are not acceptable.
- Work equally hard for yourself and your team. Your team's performance will benefit and so will you.
- Positive and sportsmanlike behavior should be exhibited by extending standard courtesies to the opposing teams. E.g. – applaud good play, thank referees and opposition at the end of the game.
- Treat all participants in your sport, as you like to be treated. Do not bully or use unfair or illegal tactics to gain an advantage.
- Cooperate with your coach, teammates, and opponents. Without them there would be no competition.
- Immodest behavior in victory or success is an act of poor sportsmanship and not acceptable.

Coaches Code of Behaviour

- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.
- Remember that young people participate for pleasure and winning is only part of the fun. Ensure the time players spend with you is a positive.

Update 1 for 2024

- Never ridicule or yell at a young player for making a mistake or not winning.
- Be reasonable in your demands on players' time, energy and enthusiasm.
- Set an example to your students by always playing by the rules and in the spirit of your sport. Expect and encourage your players to do the same.
- Ensure that equipment and facilities adhere to the charter recommendations and meet all safety standards.
- Display control, respect and professionalism to all involved. Encourage your players to do the same.
- Do not publicly question an umpire / referee's decision and avoid blaming a team's defeat on 'poor umpiring'.
- Any scoring or umpiring discrepancies between teams needs to be settled before schools part ways from the playing venue. If coaches are in doubt, the Sport Coordinator of the Home team needs to be advised and take on the role of the mediator using the charter to assist in coming to a mutual decision.
- Establish and foster professional relationships with the coaches of opposing teams.
- Any physical contact with a young person should be appropriate to the situation and necessary for the player's skill development

Schools Code of Behaviour

- Heads of Sport, Sport Coordinators, and teachers in charge of individual sports aim to foster sportsmanlike behavior and positive attitudes amongst their players, supporters and coaches.
- Sport Coordinators must communicate and advise the relevant Principal and Sport Coordinators if there are concerns with players or spectators not meeting the ACC Codes of Behaviour. This needs to be addressed immediately and confidentially in the interests of the players, coaches and the ongoing competition.
- Host schools must ensure playing grounds are safe and equipment and facilities meet acceptable standards as outlined in the charter.
- Sport Coordinators support coaches and officials to highlight appropriate behaviour and skill development, and endeavor to improve the standards of coaching and officiating.
- Ensure that everyone involved in ACC events emphasise fair play and support the ACC maxim of 'Sport in the Right Spirit'
- Make the ACC Codes of Behaviour available to the necessary people. This should include spectators, officials, coaches, players and other persons you deem necessary
- Make it clear that any form of physical or verbal abuse or intimidation of players, coaches, spectators or officials is completely unacceptable and will result in disciplinary action if deemed necessary.

Parents and other spectators Code of Behaviour

- Children appreciate the presence and support of their parents. Accordingly, always set an example of good sportsmanship and give enthusiastic, but not excessive or inappropriate support. Applaud good performance and efforts from all individuals and teams. Congratulate all participants on their performance regardless of the game's outcome.
- Host school parents are invited to assume responsibility for making visiting parents feel welcome.
- Respect the rights, dignity and worth of every young person regardless of their gender, age, ability, cultural background or religion.

Update 1 for 2024

- Parents should not under any circumstances approach or give advice during a match to coaches, umpires/ referees or players.
- Respect the decisions of officials and encourage players to do the same by following the rules and the officials' decisions.
- Never ridicule or scold a young player for making a mistake.
- Condemn the use of violence in any form, whether it is by spectators, coaches, officials or players.
- Do not use foul language, sledge or harass players, coaches or officials.

Officials Code of Behaviour

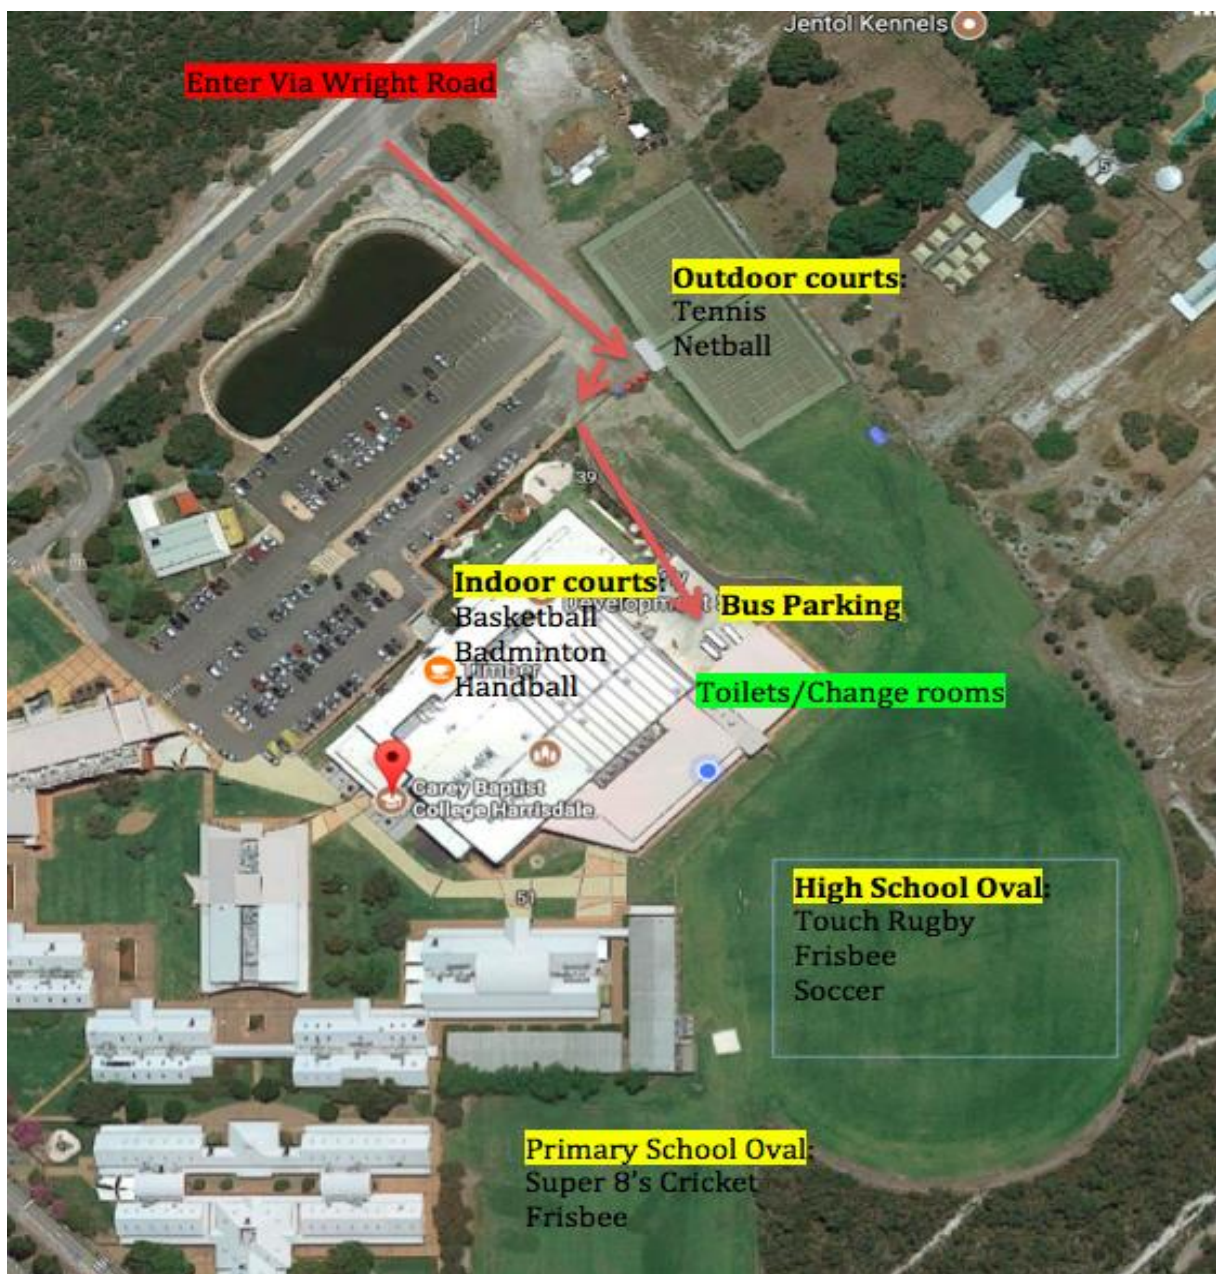

- Give all young people a 'fair go' regardless of their gender, age, ability, cultural background or religion.
- Compliment and encourage all participants and emphasise the spirit of the game rather than the errors.
- Be consistent, objective and courteous when making decisions.
- Condemn unsporting behaviour and promote respect for all players. Communicate with the coach concerned to advise them of any inappropriate behavior.
- Keep up to date with the latest trends in officiating and the principles of growth and development of young people.

TO "SOUTHERN ASSOCIATED JUNIOR SCHOOLS" WORKING WITH CHILDREN LEGISLATION

Working With Children – Legislation

From 1 January 2006 the State Government introduced legislation requiring certain people working with children in WA to undergo a "Working with Children Check" (WWC). The WWC is compulsory under government legislation and ACC schools have to comply with this legislation. In 2008 the legislation will affect people working with children aged between 13-17 years. Persons deemed to be working with children are any volunteers, employees or contractors (over 18 years of age) who in their usual duties are likely to have contact with children. Contact includes any form of physical contact, oral communication and electronic communication.

People may also be exempt from the legislation if they are a:

- volunteer under 18 years of age
- volunteer who is a parent of a child at an ACC school
- volunteer (over 18 years of age) that has worked with children on no more than five calendar days in a year.

For the purposes of these guidelines, persons deemed to be volunteers are those that are engaged in child-related work for, but are not employed by, the school. The term volunteer is not defined in the legislation. Volunteers that are being "reimbursed" for out of pocket expenses such as travel/uniform are still regarded as volunteers and not employees. However, volunteers that receive payments as a "reward" and not a "reimbursement" may be considered as employees and not volunteers. Schools will have to make their own "common sense" decision when determining the status of persons as volunteers or employees. In cases where a volunteer has received a very minimal payment then the school may consider them as a volunteer. In most cases an employee is someone that has received a wage/payment and has signed a contract of employment.

Schools involved in sub-association sport are required to comply with the legislation. Schools must ensure that all coaches, officials and bus drivers that will have contact with children at sporting events (whether they are paid or volunteers) have undergone a working with children check and hold a valid WWC card number (excluding those covered under exemptions above). To comply with the legislation you will have to keep records to ensure that people working at your sporting events have their WWC ID in order.

WWC records can be recorded in a simple format using the following example:

POSITION	NAME	VOLUNTEER/PAID	EXEMPT? – WHY	WWC CARD NUMBER
Sports Trainer	John Brown	Paid	No	123456
Basketball ref	Sue Brown	Volunteer	Yes – parent of David Brown	Not required
Bus Driver	Rob Jones	Paid	No	123455
